Sermon Notes

Dean Scott, Senior Minister

Christians@Work.com #1 – Work is a Gift from God

*That everyone may eat and drink and find satisfaction in all his toil -
this is the gift of God. Ecclesiastes 3:13 (NIV)*

I. Work is a blessing, not a curse.

We think work was part of the curse on Adam and Eve. Genesis 2:15

Why are so many unsatisfied and unfulfilled with their jobs?

If work is a blessing from God – let him lead the process you use to find it.

Pray

Listen to people who love you

Find a job where your God-given abilities and your passions intersect with
your education and experience.

Have reasonable expectations

Consider your higher priorities.

God wants you to be satisfied...and be fulfilled in your work. Colossians 3:23-24

Note the values of work he talks about in His word.

A sense of self-worth, and role in society. Proverbs 22:29

Work gives us a place to develop relationships and influence people for Christ.

Working enables us to be generous. Ephesians 4:28

Work is proving ground for character.

II. Our work is a partnership, not a solo act.

God is a worker. Remember the creation?

Imagine the impact if everyone with a job took this seriously and went to work tomorrow with
the attitude – I am not just here to work – I am here as a messenger for the Lord Jesus
Christ.

III. Our work will be judged by God, not just by men.

God will judge is our motives. Ephesians 4:28

God will also judge our effort.

God will judge our integrity.

God will judge our “usefulness”.
