## Sermon Notes

October 12, 2025  
Dean Scott, Senior Minister

### Metamorphosis #5—From Misery to Joy (John 11:17-35)

I. **Point them to \_\_\_\_\_.** John 11:23-27; Psalms 34:18; 147:3

Nothing is more helpful to a person in misery than to point them to Jesus.

We need to take them by the hand and put their hand in Jesus' hand.

II. **Share their \_\_\_\_\_.** John 11:28-35

*There can be a great hindrance to compassion in a well-developed theology.*

We see this in Jesus as he deals with Mary.

Even in your own experience — times when you were deeply stressed.

Do you remember what people said? Possibly not, but you remember that they were there for you.

III. **Listen with your \_\_\_\_\_.**

Jesus understood that people were different.

We need to listen with our hearts...

Listen to the tone of their voice

Listen to what the eyes tell you.

Listen to their words...

Listen to the body.

*"Preach the Gospel at all times, if necessary, use words."*

St. Francis of Assisi
